PRODUCT DISCONTINUED – FOR INFORMATION ONLY

Fast transfer and password protection
for your sensitive data.

flash

*Based on Internal Testing

Kingston's DataTraveler® 410 USB Flash drive (DT410) offers fast transfer rates and secure storage for all kinds of data. With capacities up to 32GB, DataTraveler 410 contains room for high-definition photos, graphics-intensive documents, videos, spreadsheets, presentations, term papers, and music that can be stored and retrieved in a flash. Password-protect data with SecureTraveler¹ software, which allows you to create and access a password-protected, secure area of the drive called a "Privacy Zone." DT410 features 20MB/sec. read and 8MB/sec. write speeds and a capless, swivel design for added functionality and ease of use.

Customize Kingston's DataTraveler 410 by adding your logo and/or digital files to instantly increase your brand recognition⁴.

DataTraveler 410 is backed by legendary Kingston® reliability plus a five-year warranty and 24/7 tech support.

Kingston DataTraveler 410 Part Numbers:

DT410/4GB, DT410/8GB, DT410/16GB, DT410/32GB

1 Those with administrative rights can protect corporate data by creating a partition on the drive for additional security with SecureTraveler.
2 Some of the listed capacity on a Flash storage device is used for formatting and other functions and thus is not available for data storage. As such, the actual available capacity for data storage is less than what is listed on the products. For more information, go to Kingston's Flash Guide at kingston.com/flash_memory_guide.
3 Speed may vary due to host hardware, software and usage.
